Acme Corp Product Warranty and Support

Warranty coverage

All Acme computers carry a 24-month limited warranty covering manufacturing defects. Accessories, audio devices and wearables carry a 12-month warranty. Accidental damage is not covered unless the customer purchased the Care+ plan.

Care+ plan

Care+ costs 12% of the product price per year and covers one accidental-damage repair per year, with on-site service for enterprise customers.

Support hours

Support is available Monday to Friday, 08:00-20:00 UTC, by email and chat. Enterprise customers have a 24/7 phone line with a 1-hour response target for critical issues.

Service levels

Standard tickets receive a first response within 1 business day. Critical outages for enterprise customers receive a response within 1 hour.
